Comment. From 8 to 11 April. the arrival of advance details of the 18th Necz Div. The occupation of the Wittthe arrival of stock troop training grounds by units of the division started

. The 56 T-34 tanks in this report

partly belong to the tank battalion of the 58th Mecz Regt, and the 12 Sr guns which probably belong to the 33d Tank Regt (US) apparently were not mentioned thus increasing the number of tanks observed during the unloadings to a total of about 174 tanks.
